ABOUT HUNTINGTON BEACH

Huntington Beach - trademarked as Surf City USA - spans nine miles of Pacific coastline, roughly 200,000 residents, and four distinct zip codes. Housing ranges from waterfront estates in Huntington Harbour and Sunset Beach to walkable Downtown lofts, mid-century tract homes in South Huntington, and gated Seacliff and Edwards Hill properties.

The lifestyle is coastal and casual: Pacific City for shopping and dining, Main Street for surf culture, Bolsa Chica for wetland trails and equestrian, and Huntington Central Park for the largest municipal park in California. Weekend brunch spills onto ocean-view patios, and the U.S. Open of Surfing draws the world every summer.
